

# Mobile Surveillance Unit **MSU PRO SOLAR**

## Four Cameras, Solar-Powered Mobile Surveillance Unit

The MSU Pro Solar is a mobile and free-standing tower of security power. But with greater size comes greater coverage flexibility. The MSU Pro Solar comes with four cameras that can be directed in multiple directions, and a comprehensive array of four LED lights and twin strobes that illuminate and deter unauthorized activity.

The MSU Pro gives you up to seven days of recorded 24/7 video monitoring, and with remote connectivity to our Command Center, provides expert human surveillance without the added expense of additional security staffing.

### **BENEFITS**

- › Green Energy Solution
- › Advanced AI-Powered Live Video Monitoring + Human Expertise
- › Faster Incident Detection & Response
- › Proven Crime Deterrent
- › Unmatched Value & ROI
- › Hard-Wired Options Available
- › Monitoring via ECAM's UL Listed Central Station

### **IDEAL FOR**

- › Economical security solution
- › Flexible and easy to relocate
- › Ethernet and WiFi ready
- › Remote client access and/or local recording

### **ADVANCED TECHNOLOGIES**

- › Maintenance and Service
- › System Health Check
- › Video Monitoring
- › Video Review
- › Artificial Intelligence (AI)
- › Log Reports
- › Advance Health Check Monitoring
- › Project Dash (In-House FOV Review)
- › Monitoring Redundancy

## Features

### SIZE AND WEIGHT

**Mast Height (fully extended):** 20'

**Mast Lowered:** 9.5'

**Length:** 94"

**Width:** 66"

**Weight:** 1640 lbs

### FEATURES

**Camera Options:** HD (Default), LPR, PTZ, Thermal, 4K (Time-Lapse), Multi-Sensor

**Light:** Four (4) High efficiency LED lighting

**Power Input:** 120 VAC solar

**Field of View (FOV):** 360° coverage

**Wireless Communications:** 4G/5G LTE Wireless broadband with cellular router (Sprint, Verizon and AT&T) 900 MHZ Wifi for directional and non-directional application

### OPTIONS

- › Infrared Motion Sensors
- › Photo Beams
- › Thermal Camera
- › Archiving/Time-Lapse Services
- › Strobe Lights & Siren
- › High-Definition Cameras
- › Two-Way Audio
- › Video-Verified Alarm Systems
- › Intelligent Video Analytics (IVA)
- › Long Range LED and Infrared
- › Customer Portal Access
- › Solar-Powered MSU
- › Digital-Signage Add-On Option
